### Lisa Rudloff

Lisa has been a registered ASA umpire for 14 years with the Greater San Joaquin Softball Association. Lisa was the third umpire in our association to be recognized as ISF, being selected in 1995. Lisa was awarded her National Fraternity Pin in ASA in 1993 after working her third of her six national tournaments. Lisa's accomplishments are second to none as evidenced by six ASA National Championships, six ISF assignments in various parts of the world, fourteen umpire and umpire in chief assignments to major college regional and World Series and one of two umpires from the United States to work the Olympic Games in 2000 in Sydney, Australia. Lisa would like to thank, Tom Chapman and Jim Winchester for early umpiring encouragement, Frank Cortez for believing in her and providing opportunity for ASA National Tournaments, and Emily Alexander, Jeff Hansen, Marty Makar and Sally Ullman for her successes in her NCAA college career. Lisa's dedication and commitment to the game is unsurpassed and we are proud to have her as a member of our organization.
